Dear JCCC Members, Families, Friends, and Chicagoans

As you all are aware, on March 11th, a massive earthquake struck the Tohoku and Kanto regions of Japan. We would like to offer our sincere sympathies and condolences to all those who have been affected by the recent earthquake and tsunami which has caused inconceivable damage on an enormous scale. In particular, our hearts go out to the families and friends of those people we know and work with whose lives have been affected by the devastation. To support the relief efforts currently underway, JCCC has decided to gather together to make a monetary contribution on behalf of our members, families, and friends.

The JCCC is collaborating with other organizations in hopes to further expand the number of people and organizations willing to donate to this cause. Please consider making a donation to assist the people of Japan in surviving through the troubles ahead and rebuilding their lives.
